CEO Gender Diversity Conference

Gender Diversity: the balanced and bright way forward

8 November 2017

Pierre Gramegna, Minister of Finance, Monika Ladmanová, Member of the Cabinet of the EU Commissioner for Gender Equality, our two keynote speakers, and Nordic and Luxembourg based CEOs and Board Members as well as other experts will share their views and practical experiences on the Gender Diversity.

This conference targets CEOs, MDs, Country Heads, Board Members and Diversity Managers.

- How to go from policy/strategy to action? (How to make it happen?)
- How to get commitment at all managerial levels?
- How to help managers to prioritise gender diversity?
- What kind of measures can be adopted, e.g. training, incentives?
- The role of recruiting manager
- Gender diversity, the competitive advantage of tomorrow's war for talent
- What should be the role of recruiting manager?
- How can Gender Diversity be a competitive advantage in tomorrow's war for talent?
